**Subject:** poster for lobby- follow up to emergency dirve for orthopedic supplies for Saint Damien's Hospital in Haiti

Dr. Han,

I am requesting permission to display a poster in the lobby which presents the fruits of the emergency call for orthopedic supplies to Haiti last spring. The State Laboratory contributed a carload of materials to this effort and I think folks might enjoy seeing the truckload of materials which was sent directly to St. Damien's Hospital in Port au Prince.

Mike Lawler
